

## **Middle School Math Teacher**

Madrone Trail Public Charter School  
3070 Ross Lane  
Central Point, OR 97502  
[www.madronetrail.org](http://www.madronetrail.org)

Madrone Trail, a Public Waldorf Charter School, is currently seeking a half-time Middle School Math Teacher. Must have teaching experience and experience with middle school or high school math. Experience with Waldorf practices, curriculum, and pedagogy desired. We currently use a variety of math curriculums, including Connected Math, Key Curriculum, and Making Math Meaningful. Our middle school math curriculum is very rigorous and focuses on pre-algebra, algebra, and geometry, as well as decimals, percentages, and measurements.

### Duties Include:

- Whole-class math instruction for grades 6-8
- All planning, preparation, instruction, assessment, and grading
- Working closely with the class teacher to insure all students' needs are being met and be able to tailor curriculum and/or instruction accordingly
- Working with students individually or in small groups who need extra help, if necessary
- Familiarity with the Oregon State Standards for math in grades 6-8, as well as the state Smarter Balanced math test
- Preparing students to take the state Smarter Balanced test
- Attend at least half of the regularly-scheduled faculty meetings

If interested, please send resume and cover letter to Cori Royer, Interim Director, at [Cori.Royer@medford.k12.or.us](mailto:Cori.Royer@medford.k12.or.us)
