It is understood that if Madrone Trail does not hear from you by May 01, 2020, your children will not be attending our school for the 2020-2021 school year and we will offer those openings to new applicants. You still retain the option of enrolling them at a later date, if we have openings available. If you are not enrolling in Madrone Trail next year and you want your child's records transferred to the new school, you need to sign a records release form in our office.
